Introduction

Ayushman Bharat Yojana, also known as the Pradhan Mantri Jan Arogya Yojana (PMJAY), is a National Health scheme that aims to help economically weaker and vulnerable Indians who are in need of healthcare facilities. The scheme aims at making interventions in primary, secondary and tertiary care systems, covering both preventive and promotive health, to address healthcare holistically. It is an umbrella of two major health initiatives namely, Health and Wellness centers and *Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana* (AB-PMJAY).

AB-PMJAY is National Health scheme, which was launched on 23rd Sept., 2018 by Hon'ble Prime Minister of India. *Ayushman Bharat* covers over 10 crore poor and vulnerable families (approximately 50 crore beneficiaries) providing coverage of up to¹ ₹ 5 lakh per family per year for secondary and tertiary care hospitalization. Beneficiaries can avail the scheme benefits at both public and private empaneled hospitals across the country. To make the scheme operational at the National level, and to rollout the scheme in coordination with the various State Governments, the National Health Authority (NHA) has been established.

Cashless service provision

AB-PMJAY beneficiaries are provided treatment free of cost for all such ailments covered under AB-PMJAY within the limits/ sub-limits and sum insured, i.e., not specifically excluded under the Scheme. Treatment packages include consultation, medicine, diagnostics, implants, food, hospital charges etc. for admitted patients. In other words, the package covers the entire cost of patient from date of admission till discharge from hospital. The transaction is truly cashless to the patient and under no circumstances hospital charges any amount from the patient admitted under this scheme.

Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana subsumed the centrally sponsored and the Senior Citizen Health Insurance Scheme (SCHIS).

Ayushman Bharat desk, AIIMS, Rajkot

AIIMS, Rajkot has established *Ayushman Bharat HELPDESK (PMJAY)* near *ENTRANCE* on the ground floor of the IPD building.

Beneficiary Identification

Golden card (e-card)

The eligible entitled beneficiary under this scheme will be provided the Golden card, which contains all the relevant information of the beneficiary, which includes:

- ❖ Name and photograph of beneficiaries
- ❖ Date of birth
- ❖ Gender
- ❖ Golden card number
- ❖ Address of beneficiary
- ❖ Helpline number and website address of AB-PMJAY.

It is mandatory to carry the golden card details, as it is the pre-requisite for the initiation of pre-authorization. However, in *Ayushman Kendra* of AIIMS, Rajkot this card is also being generated (if not already made) or details can be retrieved for verified Ayushman beneficiary or golden card holders.

Sample Golden card

Fig. 1 Sample Golden Card

Staff of PMJAY Cell – DEO's

The PMJAY Cell – DEO's are the first contact person of AB-PMJAY scheme. DEO assists the patients and coordinates with beneficiaries and the hospital. They are deployed at *Ayushman Bharat HELPDESK*, AIIMS, Rajkot round the clock. DEOs are trained in software use, patient registration and interaction with beneficiaries and hospital staff. They are the first contact person for Ayushman Bharat beneficiaries at AIIMS, Rajkot.

They will check documents to verify the eligibility and enrolment to the scheme. They will conduct demographic authentication for identification and to verify his or her eligibility to avail the benefits of the scheme. They work under the supervision of MSSO & Nodal officer(NO).

PMJAY DEO will also ensure updating of documents related to patient care like surgery notes, pre and post-operative notes, etc. and ensure that discharges are done in timely manner on the TMS.

Job responsibilities of DEO of PMJAY cell

They are trained in software use, patient registration and interaction. They will provide support in beneficiary verification, authentication, query management, document uploading, claims management, grievance redressed and handling emergency cases at AIIMS, Rajkot.

Role of DEO at Helpdesk:

- ❖ To assist patients coming to AIIMS Rajkot.
- ❖ Coordinate with MSSO, Nursing Officers and Doctors ensuring that there are no communication gaps.
- ❖ Ensure that all documents or records are verified diligently before uploading at BIS and TMS.
- ❖ All processes are completed in a time bound manner.
- ❖ Ensure data privacy and patient confidentiality.
- ❖ Coordinating with patients in a friendly and pleasant manner.
- ❖ Discipline should be maintained at all times.
- ❖ Maintain patience and empathy while dealing with patients.
- ❖ Any irregularity or inadequacy noticed should be brought to the notice of their superiors.
- ❖ Should not indulge in fraudulent practices.

Job responsibilities of Medical Social Service Officer (MSSO)

- ❖ MSSOs are the important link between PMJAY /HA and treating doctor or nodal officer of PMJAY cell

Fig. 2 MSSO as a link

- ❖ MSSO will work as a medical coordinator and will be overall responsible for smooth implementation of the scheme at their respective wards.
- ❖ MSSOs will help PMJAY DEOs in case of any difficulty during pre-authorization or selection of a package by treating doctor and claims settlement.
- ❖ He will supervise the functioning of PMJAY DEOs in the hospital.

- ❖ MSSO will coordinate with concerned nodal persons regarding any issue faced by PMJAY cell DEOs related to AB-PMJAY scheme.
- ❖ He will assist treating doctors in package selection as and when required.

Job responsibilities of Nursing Staff

- ❖ SNO of respective ward will oversee that AB-PMJAY beneficiaries, admitted under the scheme are getting all prescribed medicines and surgical consumables free of cost only as per approved package.
- ❖ Nursing Officers of the concerned ward/area will ensure that all the entitled beneficiaries are being treated like any other admitted patient.
- ❖ During working hours, if any item has to be procured from outside, then PMJAY indent form is to be filled of such medicine or surgical consumables will be initiated by nursing staff on duty and it will be routed through central pharmacy with NA stamp.
- ❖ Medicines at the time of discharge will be arranged by Nursing Officer on duty for a duration prescribed by treating doctor (maximum up to 15 days). It is essential to mention details like UHID and Golden card number (provided in *Ayushman Bharat* Scheme), ward, center name and all relevant details as per Performa in indent book. All medicines must be arranged well in advance in consultation with treating doctors from the concerned ward
- ❖ Sr. Nursing officer of that particular ward will be responsible to maintain Amrit indent book for AB-PMJAY scheme. During odd hours, Nursing Supervisor on duty will do cross verification signature on Amrit indent book for AB-PMJAY Scheme.

Role of Account Officer

1. Account officer in-charge AB-PMJAY will keep a check on claims reimbursed or due from concerned State Health Agencies.
2. Account officer will maintain data regarding expenditure on AB-PMJAY patients admitted and reimbursement claim sought for internal audit purposes.
3. Account officer will verify the amount mentioned in package list of AIIMS and amount given in package list by NHA.
4. Account officer will conduct regular audit and submit monthly report to Officer In-Charge. Will implement any guidelines issued by competent authority from time to time.
5. Account officer will be responsible for transfer the travel allowance to the patients bank account whose claim was approved under PMJAY at AIIMS Rajkot. Bank details of the patient will be provided by PMJAY staff to account officer on weekly basis.

Job responsibilities of Treating Doctor

- ❖ All doctors of clinical/diagnostic departments of AIIMS, Rajkot must ensure that free services are provided to all entitled beneficiaries.
- ❖ Treating doctor will select the appropriate package/procedure from the list provided by NHA (at its website and made available through AIIMS content provider) for seeking pre-authorization. **Since re-imburement of wrongly selected package/procedure is not being done, the liability lies with treating doctor.** Therefore, all efforts should be made for selection of right package/procedure with due diligence. Any change (addition or deletion, etc.) of procedure must be informed to the Ayushman Bharat desk for further information to concerned SHA well in time.
- ❖ If disease / procedure is not available in the list of packages:
 - Then treating doctor will provide estimate certificate on given Performa only in cases where estimate is less than one lakh rupees. In this case, PMJAY DEOs will proceed for pre-authorization under **unspecified package/procedure.**

- ❖ Treating doctor will cooperate with MSSO / PMJAY STAFF the package/procedure selection and to resolve other queries related to this scheme from time to time. **The doctor must extend all support and provide inputs or justification in response to queries raised by Claims Panel Doctor.**
- ❖ If any AB-PMJAY beneficiary has to be shifted from general ward to ICU or vice versa, treating doctor has to write transfer note in the patient treatment file and inform to nursing staff on duty so that PMJAY staffs can update it in TMS.
- ❖ In case discharge of an AB-PMJAY Beneficiary is planned, the treating doctor will inform nursing officer of their concerned ward in advance, so that nursing officer can arrange the required medicines, if any, which have to be provided at the time of discharge.
- ❖ Post-op X-ray report or films, etc. should be made available in the patient file as evidence of procedure / implant for claims management.

Job responsibilities of Head of the Departments (HoDs)

- ❖ Head of Department (HOD) will identify and nominate the nodal person in their department for smooth implementation of the AB-PMJAY scheme.
- ❖ HOD will periodically review the progress of the implementation of the scheme in his/her department and will resolve any issue if arise.
- ❖ Since, AB-PMJAY scheme is for poor and vulnerable section of the society who cannot afford out of pocket expenditure and there is a capping of ₹ 10 lakhs per family per annum, HOD's should ensure that treatment cost doesn't exceed the package amount and funds are utilized judiciously.
- ❖ HOD should ensure that there is uniformity in package selection by all faculty and residents.

Job responsibilities of Nodal Officer:

- ❖ Nodal Officer will be responsible for the smooth implementation of the scheme in their concerned Department.
- ❖ They will conduct awareness session/programs to disseminate the information in the concerned Department/Ward with all stakeholders such as Faculty, Resident Doctors, Nurses, Technical Staff etc.
- ❖ They will coordinate with other doctors of their department for any related issues.
- ❖ Nodal Officer will co-operate with Hospital administration /MSSO AB-PMJAY staff in case of any issue in the concerned department/ ward related to AB-PMJAY.
- ❖ Nodal Officer will ensure that procedures or treatment carried out is in accordance with the pre-authorization or approval received.
- ❖ Efforts should be made that to treat the patient within existing approved NHA packages/procedure. For e.g., among the various treatment options for treatment of epilepsy, Vagus Nerve Stimulation (VNS) is not covered, however other modalities are available in the approved package which may be explored. Otherwise these will warrant special approvals.

Package Rates and Reimbursement

Process flow of Patient for Emergency Care

The Entitled beneficiary who needs emergency treatment will be provided prompt emergency treatment without waiting for the pre-authorization. Pre-authorization for such patients can be obtained retrospectively or parallel.

Fig. 3 Patient flow (Emergency cases)

Process flow of Elective Patient Care

For elective cases, pre-authorization is taken in advance. After getting requisite approval, beneficiary is admitted under AB-PMJAY. If patient is not an entitled beneficiary and is unable to bear expenses, in such cases it will be referred to the concerned area MSSO for financial assistance through any other poor patient welfare schemes.

Fig. 4 Patient flow (Elective cases)

Provision of providing Medicine/Consumables to AB-PMJAY patients

Assistant Nursing Superintendent (ANS) SNO of ward / concerned area will be responsible for maintaining local purchase indent book of AB-PMJAY scheme and arranging the required medicines and consumables for patients admitted under AB-PMJAY.

Fig. 5 Purchase of medicines for AB-PMJAY patients

General Instructions regarding PM-JAY

1. The scheme is only valid for admitted patients.
2. ***The OPD cases are not covered under this scheme.***
3. The scheme is entitlement based. Only entitle beneficiaries whose details are available in IT platform provide by NHA.
4. No special preference will be provided to the AB-PMJAY Beneficiary.
5. The beneficiary will be treated like any other routine patient.
6. The Patients enrolled under PMJAY scheme shall not be charged any amount during the hospitalization period
7. All eligible beneficiaries will be admitted in General Wards.
